Dear Mrs. Manley:

I wonder if you would be good enough to send me a copy of your daily expense sheet. I forgot to ask you about this yesterday. *would like to use it.*

After you left the hotel Ed Gottlieb asked me to contact you to find out about the Sunday June 3 date. He said that he was not sure whether you were going over to Brooklyn to try to get it or whether I was to get the same. Please let me know about this.

I believe that I explained to you the setup regarding the Black Yankees. I have asked all of the Negro National League teams to do what they could to help out the Yankees with any surplus players that they think may help the club. Semler and I are going to try to develop the Yankees into an attraction where they will really mean something when they come to the park and also the homes of the other Negro National League teams.

Very truly yours,

Brie Leuschner
